DANGEROUS STRUCTURES ORDINANCE
Ordinance No. 01092024.4 of 2024

AN ORDINANCE PURSUANT TO ACT 246 OF THE PUBLIC ACTS OF 1945, AS
AMENDED, TO REGULATE DANGEROUS STRUCTURES WITHIN THE
TOWNSHIP AND TO PROVIDE PENALTIES FOR VIOLATIONS THEREOF THE
TOWNSHIP OF GREEN LAKE ORDAINS:

1) PURPOSE

It is hereby found and declared that the purposes of this Ordinance are to eliminate dangerous structures within all areas of Green Lake Township for the protection of the health, safety and general welfare of its residents; to preserve existing values of other properties within or adjacent to such areas and all other areas of the Township; and to preserve the taxable value of the property within such areas and all other areas of the Township.

2) "DANGEROUS STRUCTURE" DEFINED

As used in this Ordinance a "dangerous structure" means a building or structure that has one (1) or more of the following defects or is in one (1) or more of the following conditions:

- a. A portion of the building or structure is damaged by fire, wind, flood, or other cause so that the structural strength or stability of the building or structure is appreciably less than it was before the catastrophe and does not meet the minimum requirements of the building code enforced within the Township for a new building or structure.
- b. A part of the building or structure is likely to fall, become detached or dislodged, or collapse and injure persons or damage property.
- c. A portion of the building or structure has settled to such an extent that walls or other structural portions of the building or structure have materially less resistance to wind than is required in the case of new construction by the building code enforced within the Township.
- d. The building or structure, or a part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, or the removal or movement of some portion of the ground necessary for the support, or for other reasons, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fall or give way.

- e. The building, structure, or a part of the building or structure is manifestly unsafe for the purpose for which it is used.
- f. The building or structure is damaged by fire, wind, or flood, or is dilapidated or deteriorated and has become an attractive nuisance to children who might play in the building or structure to their danger.
- g. The building or structure is vacant, dilapidated, and / or opened at a door or window or other area of the structure is open, leaving the interior of the building exposed to the elements or accessible to entrance by trespassers.

3) PROHIBITED ACTS

No person, corporation, limited liability company, trust, partnership, or other legal entity shall own, occupy or maintain any dangerous structure within the Township.

4) INSPECTION

Township representatives shall have the right to inspect buildings or structures to determine violations of or compliance with this Ordinance. Township representatives may exercise this right to inspection by consent of the person having the right to possession of the building or structure or any part thereof, or by administrative search warrant.

5) PENALTY/CIVIL INFRACTION

Any person who violates any provision of this Ordinance shall be guilty of a municipal civil infraction as defined in Public Act 12 of 1994, amending Public Act 236 of 1961, being Sections 600.101-600.9939 of Michigan Compiled Laws, and shall be subject to a fine of not more than Five Hundred and 00/100 (\$500.00) Dollars. Each day this Ordinance is violated shall be considered as a separate violation.

6) ENFORCEMENT OFFICERS

The Township Zoning Administrator, Township Supervisor, and other individuals appointed by the Township Board are hereby designated as the authorized township officials to issue municipal civil infraction citations directing alleged violators of this Ordinance to appear in court.

7) NUISANCE PER SE

A violation of this Ordinance is hereby declared to be a public nuisance or a nuisance per se and is declared to be offensive to the public health, safety and welfare.

8) INJUNCTIVE RELIEF

In addition to enforcing this Ordinance through the use of a civil municipal infraction proceeding, the Township may initiate proceedings in the Circuit Court to abate or eliminate the nuisance per se or any other violation of this Ordinance.

9) ABATEMENT BY TOWNSHIP

If a Court of competent jurisdiction finds the owner or occupant of a building or structure in violation of this Ordinance, the Court, in addition to ordering the owner or occupant to demolish the dangerous structure and remove it from the property or to repair the dangerous structure to make it safe, may authorize the Township to demolish the dangerous structure and remove it from the property or to repair the dangerous structure to make it safe. The Court, however, shall not authorize the Township to demolish the dangerous structure if the cost of repairing the building or structure to a safe condition is less than the state equalized value for the building or structure.

10) COST RECOVERY: LIEN

(a) The costs incurred by the Township in demolishing the dangerous structure and removing it from the property or repairing the dangerous structure to a safe condition, including reasonable attorney fees, shall be reimbursed to the Township by the owner or party in interest in whose name the property appears.

(b) The owner or party in interest in whose name the property appears upon the last local tax assessment roll shall be notified by the Township of the amount of the costs of the demolition or repair of the dangerous structure by first-class mail at the address shown on the records. If the owner or party in interest fails to pay the costs within thirty (30) days after mailing by the assessor of the notice of the amount of the costs, the Township shall have a lien for the costs incurred by the Township to bring the property into compliance with this Ordinance. The lien shall not take effect until notice of the lien has been filed or recorded as provided by law. The lien provided for in this subsection does not have priority over previously filed or recorded liens and encumbrances. The lien for the costs shall be collected and treated in the same manner as provided for property tax liens under the state General Property Tax Act.

11) VALIDITY

If any section, provision or clause of this Ordinance or the application thereof to any person or circumstances are held invalid, such invalidity shall not affect any remaining portions or application of this Ordinance, which can be given effect without the invalid portion or application.

12) REPEAL

The Green Lake Township Dangerous Building Ordinance, Ordinance No. # 07-01-10, is hereby repealed in its entirety.
