

An aerial photograph showing a large, mostly cleared grassy area. The field is marked with numerous small yellow dots, likely for surveying or planning. The field is bordered by dense, mostly bare trees. In the lower portion of the image, there is a baseball field with a dirt infield and a green outfield. To the right of the baseball field, there are several small buildings, including a white one and a green one, along with a dirt road and some parked vehicles. A yellow box with the number '16' is overlaid on the central part of the grassy field.
