

# GREEN LAKE TOWNSHIP

Green Lake Township, Interlochen, MI Fall 2017

## Newsletter

### Bond/Millage

Thank you voters for passing the renewal for Fire/EMS. The option for ALS failed by 9 votes and the new building construction failed by 71 votes. We would like to thank those who participated, including our staff for helping at the Open House. Also Deputy Supervisor Lisa Leedy for baking all treats served at the event and donating supplies.

### **Election Workers Needed**

Clerk Judith Kramer is always taking applications for election workers. Workers receive training, work on the election days based on their availability, and are paid for their time. Contact Clerk Kramer if you think you might be interested.

Green Lake pays for training for new hires.

**Rescue Boat** Check out our new rescue boat, the Miss Lizzie. It is equipped for hauling a patient or ATV for fire suppression. Training began the day after taking possession. This boat purchase was made possible, in part by a donation from Green Lake homeowner Jim Pidgeon in honor of his dog Lizzie. Sadly, we received a rescue call to help earlier this year when Lizzie went through some thin ice, yet we were not able to save her despite our best efforts. Thank you Jim for your contribution to our community!
